Reviews

Vintage 2008: Wine Advocate 91 Points

"Reveals more development in its enticing perfume from its estended stay in bottled. Notions of sandal wood, exotic spice, dried hebs, and assorted black fruits lead to a still tight, dense, structured wine in need of 3-4 years of cellaing. It has all the righth stuff but patience will be required. Its drinking window will extend from 2015 ti 2023. The grapes are sourced from old wines in La Consuta". Jay Miller Feb. 2012
