GRAPPA DE LOS ANDES

FOR OUR FAMILY FRIENDS

The constant exploration and curiosity of the oenologists result in unique products, small batches of the year that are exclusive to the winery.

HAMLET WINES

A tribute to the community work of the family smallholdings of Galicia that once again shine and value an ancient wine tradition under the D.O. Ribeiro.

FAMILY WINES

The Durigutti expression, the spirit and genuine style of the initial project.

NATURAL WINES

Organic and natural wines (without added sulfites). The land as a first step, hidden and mysterious, that provides the nutrients to give life to these limited-release wines.

NOBLE SWEET NATURAL WINES

Elixir made wine, a creation of Pablo motivated by a personal search over the years that is reflected in a unique wine of its kind.

GRAPPA FROM THE ANDES

The elders of Las Compuertas say that near the north wall of the region lived a healer capable of healing illnesses with natural products. An artisan concoction that purifies the soul is born from the mountain.
